SCIATIC TORTURE

THAT YIELDED TO NOTHING BUT DR. WILLIAMS' PINK PILLS.

Locomotive Engineer Permanently Cured by These Pills After Ordinary Remedies Failed.

Pain that seems almost unbearable is a characteristic of sciatic rheumatism. In some cases the pain is knife-like, sharp or shooting; in others it is dull and aching. Sciatica is stubborn in resisting treatment and the patient frequently suffers for years. This was the case with Mr. Herbert E. Spaulding, a locomotive engineer on the Cincinnati, New Orleans & Texas Pacific Railway, whose home is at Longview, Texas. Mr. Spaulding endured the agonies of sciatica for two years in spite of all that ordinary remedies could do for him until he tried Dr. Williams' Pink Pills and was cured.

"While running an engine some years ago," he says, "I fell off and hurt my knee and spine and I have always considered this to be the cause of my illness. The sciatica took hold of me from my heel to the back of my head. The pain was the worst I ever suffered in my life and my leg and back were twisted out of shape. I was under a physician's care for several months and for six months could not get out of bed. I also went to Hot Springs but came back in a worse condition than when I went."

"It was when I was down in bed that I heard of the case of a Mr. Allison, a much older man than myself, who had been cured of sciatica by Dr. Williams' Pink Pills. I began taking the pills and soon was able to get out of bed. When I had taken six boxes I was able to work about the house and yard. I kept right on with the pills until I was cured and I have never had any return of the trouble. I have been running an engine ever since."

Dr. Williams' Pink Pills do not simply relieve pain but they actually make new blood and have therefore a direct and powerful curative effect on such diseases as rheumatism, sciatica, anaemia, general debility, after-effects of the grip, nervous indigestion and headaches.

Dr. Williams' Pink Pills are sold by all druggists or sent, postpaid, on receipt of price, 50c per box, six boxes \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y.

SOUTH RYEGATE

Fred Whiteher of Lewiston, Me., came home on Saturday to see his brother, Frank.

Mrs. Charles Evans is quite sick with scarlet fever and she has a new baby, only about ten days old.

Charles Miller has his new barn nearly completed and will finish off a nice hall on the upper floor, which will be 40 by 50 feet. It is expected to be opened on Monday evening, March 18, by the opening night of a dancing school taught by G. H. Elmore of Montpelier.

Will Terry has just unloaded a car of cedar shingles which he is offering at last year's prices to give those who wish an opportunity to get them home on snow. All grades are twenty-five cents a bunch higher in the market, and this load was bought three months ago before this raise.

John K. Star of this place died Sunday night. Mr. Star gave up work some three years ago and moved from here to Barre, where he lived a short time, moving from there to Topham, where his wife had some property, last spring. They sold this property and returned to their home here, thinking he was well enough to work again. He took up his trade of granite cutting and worked until within about four weeks ago, when he was obliged to give up. The cause of his death was Bright's disease.

The funeral of Frank Whiteher was held from the home of his parents in Newbury Saturday, the 16th, and burial was in the family lot in Limekiln district. He died of rheumatic fever, after three weeks of intense suffering. Frank was a very bright young man, and a favorite of a wide circle of friends with whom he had grown up. He was the second son of Abner J. and Ella McAlister Whiteher. He was born on the old Henry Whiteher farm where he died. He was 34 years old, had lived at home until within a few years, when he went to Massachusetts and worked in the express business. He came home six weeks ago and it was thought he was coming down with the grippe, but it turned out to be scarlet fever. He had nearly or quite recovered from this and was making arrangements to return to his home when he was taken down with rheumatic trouble, this being the eleventh time he had been afflicted in this way. He was very patient and was never known to murmur through all his suffering.
